Module   Menu Assignment   Options   **Content**   Theme   Settings   Advanced Settings

Joomla tag content
This content source references Joomla items based on their tag. e.g. a joomla article called Blue landscape with a tag blue paintings
would be shown.

Count | 30 |

Content Selection

Select tags | Start typing to filter list of items. |

Select all tags
face
body
legs
neck
hands
hair

Limit per category

face   **body**   **legs**   **neck**

hands   **hair**

Enter a value in the boxes above to limit the number of items displayed per category. Leave the box empty to display unlimited items from that category. The number
of items output by the module is also controlled by the total module count.

Content Ordering and Filtering

Ordering | Joomla! Ordering   ▾ |
